

Before Starting the Project Application

To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

Things to Remember:

- Additional training resources can be found on the HUD.gov at https://www.hud.gov/program_offices/comm_planning/coc.
- Questions regarding the FY 2023 CoC Program Competition process must be submitted to CoCNOFO@hud.gov.
- Questions related to e-snaps functionality (e.g., password lockout, access to user's application account, updating Applicant Profile) must be submitted to e-snaps@hud.gov.
- Project applicants are required to have a Unique Entity Identifier (UEI) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2023 Continuum of Care (CoC) Program Competition. For more information see FY 2023 CoC Program Competition NOFO.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2023 CoC Program NOFO and the FY 2023 General Section NOFO.

CWCAC utilized Abila financial system and Pay Chex for payroll. They have operated for over 50 years and are our designated fiscal agent with approved and functioning policies and procedures. The Baraboo Area Homeless Shelter also has a CPA on our Board of Directors who also performs the accounting system for the shelter. Being a CPA, he follows all generally accepted accounting principles and works with QuickBooks to identify the sources and use of all funds, including information on grant awards received, authorizations or obligations of awards received, de-obligated balances, assets and liabilities; program income; and total actual outlays or expenditures to date.

3B. Project Description

1. Provide a description that addresses the entire scope of the proposed project.

Central does not have any Permanent Supportive Housing, even though we continue to see Chronic Homeless on our Priority Lists. CoC PSH funds will provide intensive Case Management for clients, supplying as needed, moving costs, Child care, education services, job training stipend, start-up food, rental application fees, landlord recruitment, credit counseling, legal services, life skills training, Outpatient mental, dental and regular health care, outreach services, intake fees for substance abuse treatment, transportation, and utility deposits. If needed, short-term emergency lodging. Chronic clients also struggle to find housing and may remain homeless after their 90 day maximum shelter stay. Currently, data shows 10 Chronic homeless on the priority list for Central. This is our target population. We will provide 5 off-site PSH units for Chronic homeless from the priority lists. Funds will furnish and supply security, insurance and utilities for Units that will be filled within 4 months of receiving this grant and expect 50% of our clients to move from PSH to permanent housing within 12 months and the rest within 24 months. 75% will remain stably housed. We will meet priorities established by the WI BOS Continuum of Care (CoC) and follow the Housing First philosophy by prioritizing rapid placement and stabilization in permanent housing, we require no barriers to entry, expect no preconditions, nor do we terminate program participants for lack of participation. Case managers will work with our participants to set goals, however they are not mandated to do so. This approach is guided by the belief that people need necessities like a place to live before attending to anything less critical, such as securing employment, budgeting correctly or attending to substance use issues. Exercising their choice likely makes clients more successful in remaining housed and improving their lives. Additionally, staff educate clients on how to be good tenants, provide basic housekeeping skills, and being good neighbors. For those clients who wish to seek employment, staff assists in using our local job center and other job-seeking skills. Case managers will also help with getting into educational classes to obtain their GED/HSED and to further their education. Motivational Interviewing is a collaborative, client-centered approach to elicit and strengthen motivation to change. It offers providers a useful framework for interacting with people who are experiencing homelessness and struggling with mental and/or substance use disorders or trauma. Funding will assure all case management staff is trained in Motivational Interviewing and Trauma Informed Care and utilize this approach when working with our PSH clients. We have an agreement with the Sauk County Housing Authority for 2 housing vouchers and Aging and Disability Resource Center and Sauk County Health and Human Services to assist clients with health care needs.

100% Dedicated or DedicatedPLUS

A “100% Dedicated” project is a permanent supportive housing project that commits 100% of its beds to chronically homeless individuals and families, according to NOFA Section III.3.b.

A “DedicatedPLUS” project is a permanent supportive housing project where 100% of the beds are dedicated to serve individuals with disabilities and families in which one adult or child has a disability, including unaccompanied homeless youth, that at a minimum, meet ONE of the following criteria according to NOFA Section III.3.d:

- (1) experiencing chronic homelessness as defined in 24 CFR 578.3;
- (2) residing in a transitional housing project that will be eliminated and meets the definition of chronically homeless in effect at the time in which the individual or family entered the transitional housing project;
- (3) residing in a place not meant for human habitation, emergency shelter, or safe haven; but the individuals or families experiencing chronic homelessness as defined at 24 CFR 578.3 had been admitted and enrolled in a permanent housing project within the last year and were unable to maintain a housing placement;
- (4) residing in transitional housing funded by a joint TH and PH-RRH component project and who were experiencing chronic homelessness as defined at 24 CFR 578.3 prior to entering the project;
- (5) residing and has resided in a place not meant for human habitation, a safe haven, or emergency shelter for at least 12 months in the last three years, but has not done so on four separate occasions; or
- (6) receiving assistance through a Department of Veterans Affairs(VA)-funded homeless assistance program and met one of the above criteria at initial intake to the VA's homeless assistance system.

A renewal project where 100 percent of the beds are dedicated in their current grant as described in NOFA Section III.A.3.b. must either become DedicatedPLUS or remain 100% Dedicated. If a renewal project currently has 100 percent of its beds dedicated to chronically homeless individuals and families and elects to become a DedicatedPLUS project, the project will be required to adhere to all fair housing requirements at 24 CFR 578.93. Any beds that the applicant identifies in this application as being dedicated to chronically homeless individuals and families in a DedicatedPLUS project must continue to operate in accordance with Section III.A.3.b. Beds are identified on Screen 4B.

8. Is this project 100% Dedicated or DedicatedPLUS? 100% Dedicated

3C. Project Expansion Information

1. Is this a "Project Expansion" of an eligible renewal project? No

4A. Supportive Services for Participants

1. Describe how program participants will be assisted to obtain and remain in permanent housing.

This program will provide a Housing Navigator who will work with landlords and develop relationships. A Case Manager will also be provided who will provide intensive case management to all participants, providing Trauma Informed Care and Motivational Interviewing and encouragement. Case management staff educate clients on how to be good tenants, provide basic housekeeping skills, including when to take the garbage out, how to and how often to clean the bathroom, how to shop with the resources they have, and how to do laundry, to name a few. Staff also discuss being good neighbors, which includes keeping the noise levels down to a minimum, being respectful to other tenants, and not permitting guests to stay with them. Matching clients with housing and providing support and follow-up will help keep them in permanent housing.

2. Describe the specific plan to coordinate and integrate with other mainstream health, social services, and employment programs for which program participants may be eligible.

The Baraboo Area Homeless Shelter works closely with the Sauk County Health and Human Services Department, CCS (Comprehensive Community Services), Aging and Disability Resource Center (ADRC), Sauk County Housing Authority, Baraboo Community Development Authority for elderly, disabled, and low-income housing opportunities, Central WI Community Action Council, Inc., Renewal Unlimited, Inc., Forward Services Corporation (FSC) and the Food Share Employment and Training (FSET) program, Work Smart, Wisconsin Innovation and Opportunity Act (WIOA), Independent Living (IL), Sauk County SUD's (Substance Use Diversion and Support), Salvation Army, St. Vincent de Paul, Lutheran Social Services, Boys and Girls Club, Beyond Blessings (food pantry), The Baraboo Food Pantry, The Free Store (for clothing), Baraboo Police Department, People Helping People, United Way, Inclusa, Wisconsin Balance of State Continuum of Care, and DEHCR for additional funding sources and guidance. Depending on a client's needs and goals, we work to team clients with organizations that best fit their needs and they are wanting to work with. Case Manager and Housing Navigator will coordinate resources and guide participants to what they are eligible.

3. For all supportive services available to program participants, indicate who will provide them and how often they will be provided.

6H. HMIS Budget

Instructions:

Enter the quantity and total budget request for each HMIS cost. The request entered should be equivalent to the cost of one year of the relevant HMIS activity. The system populates a list of eligible costs associated with the implementation of an HMIS and for which CoC funds can be requested.

Quantity Detail: This is a required field. A quantity AND description must be entered for each requested cost. Enter the quantity in detail (eg. .75 FTE hours and benefits for staff, utility types, monthly allowance for food and supplies) for each HMIS cost for which funding is being requested. Please note that simply stating "1FTE" is NOT providing "Quantity AND Detail" and restricts understanding of what is being requested. Failure to enter adequate "Quantity AND Detail" may result in conditions being placed on the award and a delay of grant funding.

Annual Assistance Requested: This is a required field. For each grant year, enter the amount funds requested for each activity.

Total Annual Assistance Requested: This field is automatically calculated based on the sum of the annual assistance requests entered for each activity.

Grant term: This field is populated based on the grant term selected on Screen "6A. Funding Request" and will be read only.

Total Request for Grant Term: This field is automatically calculated based on the total amount requested for each eligible cost multiplied by the grant term.

All total fields will be calculated once the required field has been completed and saved.

VAWA Budget

VAWA Budget

New in FY2023, the Violence Against Women Act (VAWA) has clarified the use of CoC Program funds for VAWA eligible cost categories. These VAWA cost categories can be added to a new project application to create a CoC VAWA Budget Line Item (BLI) in e-snaps and eLOCCS. The new BLI will be added to grant agreements and utilized the same as other CoC Program BLIs in e-snaps and eLOCCS. Eligible CoC VAWA costs can be identified in one or both of the following CoC VAWA categories. Examples of eligible costs in these cost categories are identified as follows:

A. VAWA Emergency Transfer Facilitation. Examples of eligible costs include the costs of assessing, coordinating, approving, denying, and implementing a survivor’s emergency transfer(s). Additional details of eligible costs include:

- Utilities. Grant funds can be used to pay for costs of establishing utility assistance in the safe unit the survivor is transferring to.
- Housing Fees. Grant funds can be used to pay fees associated with getting survivors into a safe unit via emergency transfer(s), including but not limited to application fees, broker fees, holding fees, trash fees, pet fees where the person believes they need their pet to be safe, etc.
- Case Management. Grant funds can be used to pay staff time necessary to assess, coordinate, and implement emergency transfer(s).
- Housing Navigation. Grant funds can be used to pay staff time necessary to identify safe units and facilitate moves into housing for survivors through emergency transfer(s).
- Technology to make an available unit safe. Grant funds can be used to pay for technology that the individual believes is needed to make the unit safe, including but not limited to doorbell cameras, security systems, phone, and internet service when necessary to support security systems for the unit, etc.

B. VAWA Confidentiality Requirements. Examples of eligible costs for ensuring compliance with VAWA confidentiality requirements include:

- Monitoring and evaluating compliance.
- Developing and implementing strategies for corrective actions and remedies to ensure compliance.
- Program evaluation of confidentiality policies, practices, and procedures.
- Training on compliance with VAWA confidentiality requirements.
- Reporting to CoC Collaborative Applicant, HUD, and other interested parties on compliance with VAWA confidentiality requirements.
- Costs for establishing methodology to protect survivor information.

Dear Selection Committee:

Please accept this letter of support and In-Kind Match on behalf of the Baraboo Area's Homeless Shelter application for funding. Public Health Sauk County (PHSC) is pleased to endorse the Shelter's efforts to expand services to those experiencing homelessness and living with a disability in Sauk County.

Public Health Sauk County will provide \$5,000.00 in In-Kind services to the Baraboo Area Homeless Shelter. Public Health Sauk County receives referrals from the Shelter for programs that shelter guests may benefit from namely, Nurse-Family Partnership and Prenatal Care Coordination. In turn, PHSC refers clients and families to the Shelter when a housing crisis occurs.

Safe and affordable housing was identified as one of three priority areas during the health department's 2021 Community Health Assessment. Almost 1/3 of Sauk County residents spend 30% or more of their income on housing, placing them at risk for homelessness. Public Health Sauk County supports the Baraboo Area's Homeless Shelter's plan to expand services to better meet the needs of Sauk County's residents and would readily make referrals to this program.

Sincerely,

Jennifer Weitzel, PhD, RN
